

SPELLBOUND DIZZY™

Dizzy's been visiting his local friendly Wizard, Theo. Now Theo, who may be a dab hand in the waving of wands area, is not much cop at the filing-things-away-neatly department and he's left his book of Really Powerful Spells lying round in his laboratory. What's more, the book's been left open at the page headed A Really, Really, Powerful Spell (That Shouldn't Be Read Out Loud).

Whether Dizzy actually read the heading is not known but - yikes! - he said the spell and it's caused a catastrophe: Dizzy's spirited all his Yolk Folk chums and Wizard Theo into the underworld! Cripes!

There's only one course of action open to the brave little hero: read the spell again and spirit himself into the underworld to save his rotund group of pals!

DOING THE BIZ WITH DIZ

- Dizzy has to collect five rotating stars and a special object to release each of the Yolk Folk from the underworld!
- Check out all the objects and discover if they can help Dizzy - some may enable Dizzy to swim underwater while others help him have a speedy journey through a mine shaft (and some are really tasty!).
- Don't miss out on the mushrooms - they can send Dizzy flying high!
- Don't leave any of the Yolk Folk or Wizard Theo behind! More than 100 - 100! - different locations await!
