

THE GAME

Blast your way through fifteen sectors of enemy defences in a desperate attempt to reach and steal the priceless chest of booty enabling you to retire early and enjoy a future life of luxury.

The game is divided up into three stages of five sectors each, when you are killed you will restart at the beginning of the stage, not the sector, that you are on. Once you have successfully completed a sector, you will be able to start your next game from there, rather than from the beginning. So if you complete up to sector 6, you could start your next game from sectors 1, 2, 3, 4, 5, or 6.
