CHAMPIONSHIP

To win the coveted ACME Championship Trophy, you must finish first in a total of 8 races from three track categories: Fun Cup, Super Cup and Extreme Cup. You'll earn Point Tokens according to where you finish. Progress through each race by redeeming Point Tokens in Sylvester's Shop.

ARCADE

In Arcade Mode you can race a quick one track challenge. Perfect for practicing with different characters and for trying new Gags.

OPTIONS

Select Options to change difficulty levels:

Rookie = Easy

Pro = Normal

Expert = Hard

Here, you can also clear a saved game. Note: Looney Tunes Racing has a battery back-up feature to save and resume a game at your convenience.

CHARACTERS AND VEHICLES

There are eight Looney Tunes racers in all—four initial starters and four that can be earned. Each character drives a custom vehicle that is reflective of their unique personality. The four starters are:

Bugs Bunny™

Bugs blasts it round the track in his specially designed, orange vegetable-derived kart that runs entirely on carrot juice!

CHARACTERS AND VEHICLES

Lola Bunny™

Lola's kart is curvy, suave and vivacious – indeed, not unlike its driver. A serious contender to any self-respecting kart racer.

CHARACTERS AND VEHICLES

Daffy Duck TM

Daffy, meanwhile, had to pay a massive 'bill' for customization costs to his exclusive roadster. Fortunately, it takes to the tarmac like a duck to water!

CHARACTERS AND VEHICLES

Wile E Coyote™

Everyone's favorite cunning coyote has adapted ACME™ technology to make his rocket-car – and it can actually steer! Surely catching Road Runner will be simple with this contraption? If only...

Once you've won enough Point Tokens in Championship Mode, Foghorn Leghorn™, Taz™, Marvin The Martian™ and Yosemite Sam™ may be hired as a teammate.

SYLVESTER'S RACE SHOP

In Championship Mode, Sylvester's Race Shop is the place to go. Here you can purchase bonus ACME items, race special tracks, hire a Looney Tunes teammate and continue your quest for the Championship Trophy. Simply use the + Control Pad to toggle through selections. Have fun shopping!

RACES

Put the pedal to the metal. There are a variety of tracks, plenty of challenges and you'll have to be fast to win. Here's a rundown on all the tracks:

FUN CUP

- *Race like the wind as you zoom through the Arizona Desert*
- *It's a wild race with lots of water in Wabbit Woods*

RACES

SUPER CUP

- *X marks the spot on Planet X*
- *Zoom through pastures on Porky's Farm*
- *Mix it up with instant martians on Marvin's Martian Raceway*

EXTREME CUP

- *You'll have a ghoul time at Gossamer's Castle*
- *Hit the high notes in What's Opera Doc*
- *Drive Daffy in Duck Dodger's City*

ACME POWER-UPS

In true cartoon fashion, use official ACME Corp. gags to slow your opponents and to give you a winning advantage. As you race, drive over ACME packages. Inside each one is a power-up. You'll see the icon indicated on you display. Simply press the B Button to activate. You can also purchase bonus power-ups at Sylvester's Race Shop. Note: You can only carry two power-ups at a time!

Here's a list of these great gags:

ACME Super Speed Burst—gives the player a burst of speed lasting 2-5 seconds.

ACME Homing Pie—a heat-seeking, antenna-wearing cream pie that targets an opponent immediately in front of you.

ACME POWER-UPS

ACME MegaMagnet – this powerful magnet slows opponents and allows you to steer them out of your way.

ACME Storm Cloud – targets an opponent in front with a raging storm complete with lightning!

ACME Bombs – these are explosives that blast players in front you.

ACME POWER-UPS

ACME Invulnerability – Used to temporarily deflect all damage inflicted by opponents and environmental hazards.

ACME Falling Anvil -- Knock your opponents silly by flattening them!

Others Include:

ACME Portable Hole -- Use these and opponents behind you will drop out of site!

ACME Deluxe Zap-O-Matic -- Toasts rivals with a blast of super-charged PU-86!

ACME Gremlins -- These little guys will run to the nearest opponent's vehicle, either in front of, or behind you, and proceed to rapidly dismantle it.
