

WOLFLING

=====

a "retroidvania" by Lazycow and Zolionline
(music by Cyborgjeff and Pypebros)

Ling awakes in Baron Baranov's dungeon. The baron fears all creatures of the night and Ling knows that her dark heritage is the reason for her imprisonment. Can she escape from the dungeon? Can she break her curse?

CONTROLS

- press left and right to run
- press down to crouch
- press (A) to jump
hold (A) to jump higher
Take care, the momentum of your actual running speed influences your jump.
- press (B) to punch
press (B) while jumping for a kick
hold (B) to throw daggers (if you have any)

WOLF CONTROLS

- press left and right to run
- press down for a roll attack
- press (A) to jump
hold (A) to jump higher
Take care, the momentum of your actual running speed influences your jump.
- press (B) to bite
hold (B) to morph back to human form

ITEMS

- keys: Open doors with the same color
- potion of force: Double jump powerup for wolf
- moonstones: How mystic!
- heart: Refills some health
- big heart: Refills full health
- daggers: Yes, indeed

ENEMIES

- Goblins: Baron Baranov's servants
Those fellows with shields are immune to punches
- Tooth: immune to punches, but not to teeth
- Toad: how cute
- Hunters: Baron Baranov's henchmen
Their crossbows shoot silver bolts!
- Firewolf: Guarding the potion of force

- Statues: Some are not that harmless
- Rock: It cannot be destroyed

TEST CREW

King Roman, Jazzcat, WhiteHat94, Nocash

HISTORY

V1.0: [2018] initial 64k NES version for the 2017 (sic!) NESDEV Competition
