OPERATION THUNDERBOLT®

Choose your soldier from a selection of international tough-guys collected from the four corners of the world. Then, strap on high-tech weapons like a rapid-fire assault gun and special rocket bombs to annihilate all enemy opposition!

There is a total of eight bone-jarring missions! As the operative, you'll be walking into two different types of missions — each featuring intense guerilla warfare! The first style of mission is a side scrolling endeavor, where your only objective is to make it all the way through to the end. The second style is a forward moving nightmare where an enemy outpost, swarming with defenders, awaits your assault.

WARNING: PLEASE READ THE ENCLOSED CONSUMER INFORMATION & PRECAUTIONS BOOKLET CAREFULLY BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM OR GAME PAK.
