BEGINNING

Insert the Game Pak and turn on your Game Boy. Push Start for the title screen, then push Start again to enter the select screen. Choose the Start or Password option with the Select button and push Start.

Pick Start or Password on the select screen.

Push the Start button to skip the game demo.

Use Control Pad and A to enter your password.

THE CONTROLS

This game has four levels, with 20 stages in each. You cannot move on to a new stage until all enemies in the current stage are defeated.

START/SELECT

Push Start to begin or pause game. Use Select only on select screen.

CONTROL PAD

You can only move to the right and left, not up or down.

B BUTTON

Use B to blow bubbles, SuperBubbles, or to wrap yourself in a bubble.

A BUTTON

Press A to jump. Use with Control Pad to jump right and left.

GAME SCREEN

When you or your enemies fall into holes, you reappear from above. Push Start to see how many Lives you have.

STAMINA

You lose a Heart when injured. Collect Hearts.

POINTS

Your points increase as you defeat enemies.

EXTEND

Collect bubbles to spell EXTEND and get a 1-Up.

POWER METER

Push B until the meter is charged, then let go to blow Super Bubbles. Continue holding B after the meter is charged to wrap a bubble around yourself and float.

ENEMIES

This is the number of enemies still left.

BLOWING BUBBLES

Use bubbles as weapons. You can trap an enemy in a bubble, then pop it with your spines to defeat him. Or blow your bubbles at enemies that can't be trapped to bump them off.

Once caught, your enemy cannot fight. Pop the bubble with your sharp spines.

SUPER BUBBLES

Attack three enemies at once by holding B until the meter charges, then releasing it.

SPECIAL MOVE

Push A to bounce on bubbles. Keep holding B after the meter charges to float.

ITEMS

Collect Fruit and magic items during the game. Gathering Fruit will increase your points; magic items help you.

HEART

Increase your stamina by collecting up to 3 Hearts.

CHALICE

All enemies on a stage are beaten when you get this.

DOOR

Enter a bonus stage with this Door and win big!

CANE

Beat up all the enemies on a stage with this Cane.

CRYSTAL

The Star Rod appears if you don't pick up Crystals.

CLOCK

This stops enemies, but you should not touch them.

SHOES

Wear this Shoe to move fast until you lose one Life.

CANDY

Blow bubbles farther with this until you lose a Life.

1-UP STATUE

When you collect the Statue, you get an extra Life.

TREE

Get the Tree, then defeat enemies to gather Fruit.

JEWEL

Get this, then destroy all enemies to find a Big Diamond.

UMBRELLA

The Umbrella warps you through three stages.

BIG COIN

This gives you five 1-UP Statues and lots of points.

BIG BELL

Its ring means powerful magic items are on this stage.

—OTHER ITEMS—

You will find these and many other items hidden throughout the stages. You can collect several items on each stage.

SPECIAL BUBBLES

Watch for bubbles with special marks. Pop them to release their power, but be sure to avoid the effects yourself.

FIRE

Fireballs drop to the floor and roll into your enemies.

ION

The lethal light particles float through obstacles.

WATER

Foes are washed away in the flood from this bubble.

WIND

A mighty tornado sweeps upward, carrying off foes.

THUNDER

These bolts will frizzle enemies even through walls.

STAR

The wide ranging cloud of stars destroys enemies.

TRICKS

Beware of the many tricky places in this game. You could get injured or miss the chance to complete a stage and move on. Explore everywhere and expect anything.

Don't touch spikes on the ceiling or floor.

Black holes warp you to other stages.

Game Over

When you use up all your Lives, the game ends. You can continue (push Start) or record a password.

ENEMIES

Most enemies will attack you with body slams, but a few of them have dangerous weapons. Study how each kind of enemy moves and fights to find his weaknesses, then attack.

Hoppit

He jumps after you, but is not very dangerous.

Invader

He fires beams, but cannot fly or jump.

Apogo

Attack him just before he lands after jumping.

Slider

Watch out for him bouncing off the walls.

Nimbus

He floats, but can't go through obstacles.

Borracho

After emptying bottles, he'll fire them at you.

Haron

This flying rabbit will chase you. To stop him, hit him four times in a row with your bubbles.

Fire Viper

On this vase is a fire spitting snake that will attack when you get too close.

Thor

The hammers this guy throws can smash right through floors and still pound you hard.

Invader Crate

Many Invaders are packed into this crate. Use Special or Super Bubbles to destroy it.

Helio

This flying foe will appear in Level 1, firing missiles as he chases you.

Sawbones

If you don't defeat your enemies by a set time, Sawbones attacks. He stays till you lose a Life or beat all foes.

HELPFUL HINTS

Pop bubbles with letters on them to spell out the word **EXTEND**. You will then earn a 1-UP and be able to move on to the next stage.

The letter from the bubble appears below.

HAPPY ENDING

For a happy ending, you must collect Big Diamonds in each level and keys from each boss. Otherwise, your games will have different endings--none of them pleasant!
