INTRODUCTION

Tearing through the turf to tend the garden above, you tunnel and toil. Removing rocks for budding roots and feeding hungry flowers. More importantly you rid the soil of pests. Legions of Pookas and Fygars have infested your grounds. It's up to you to exterminate them. Use your pump to pop them or trick them under a falling rock. It's up to you to save the garden.

SAFETY PRECAUTIONS

Follow the suggestions below to keep your Game Boy and Game Pak in top operating condition:

1. Always make sure the Game Boy's power is off before inserting or removing the Game Pak.
2. Don't try to take your Game Pak apart.
3. Keep your Game Pak safe from direct sunlight, high heat, and extreme cold. Don't bend it, crush it, or let it get wet. Store it in its protective package at room temperature when you are not using it.
4. If your Game Pak gets dusty, clean it with a soft, dry cloth. Never use thinners, solvents, benzene, alcohol, or other strong cleaning agents which can damage the Game Pak.

ADVISORY* READ BEFORE USING YOUR GAME BOY SYSTEM!!!

A very small portion of the population may experience epileptic seizures when viewing certain kinds of flashing lights or patterns that are commonly present in our daily environment. These persons may experience seizures while watching some kinds of television pictures or playing certain video games including games played on the Game Boy Compact Video Game System. Players who have not had any previous seizures may nonetheless have an undetected epileptic condition. Consult your physician before playing video games if you have any epileptic condition. Consult your physician if you experience any of the following symptoms while playing video games: altered vision, muscle twitching, other involuntary movements, loss of awareness of your surroundings, mental confusion, and/or convulsions.

GETTING STARTED

1. Plug the Dig Dug Game Pak into your Nintendo Game Boy.
2. Turn on your Game Boy. In a few moments, the Dig Dug Title screen appears. (If the screen remains blank, adjust the contrast dial on your Game Boy). Press the Start button to advance to the Menu screen.

GETTING STARTED

3. Press the Control Pad up or down to select Dig Dug or New Dig Dug. Classic plays just like the arcade game. New Dig Dug has additional features to keep you pumped.
4. Press the Start button to begin Dig Dug's adventure.
5. Press Start during game play to pause the action.

GETTING STARTED

6. Press the Control Pad to move Dig Dug.
7. Press the A or B button to shoot the hose. Hold it down to pump.
8. To end the game turn off your Game Boy.

BREAKING ROCKS

Rocks are all over your garden. You can't tunnel through them, but they can come in handy. Tunneling underneath them will make them fall. If you can lure Pookas or Fygars under the falling rocks, you'll score with huge bonus points.

- Smashing one monster is worth 1,000 points.
- Smashing two monsters is worth 2,500 points!
- Smashing three or four monsters gives you even more points!

DIG DUG

Classic Dig Dug action, just like the arcade. Read the following section to brush up on your digging skills. Watch out for Fygar fire and try to score as many points as possible.

SCORING

There are a lot of ways to score. Try them all and set a record.

- Tunneling through the earth is worth 10 points per section.
- Popping monsters with the pump will score you points. The deeper underground you pop them, the higher the score.
- Flatten monsters with rocks for even more points
(see *Breaking Rocks* section).
- Chow on bonus vegetables for extra points (see next section).
- Extra lives are given at 10,000 and 40,000 points and after each additional 40,000 points thereafter.

VEGGIE POINTS

Gardening is hard work and Dig Dug really works up a sweat. After dropping two rocks during a round, you'll see a vegetable appear in the middle of the screen. Scarf down the veggie for a well-deserved reward. Hurry or it will disappear.

Carrot—Round 1: 400 points

Turnip—Round 2: 600 points

MUSHROOM—Round 3: 800 points

CUCUMBER—Rounds 4-5: 1,000 points

EGGPLANT—Rounds 6-7: 2,000 points

*Further surprises
await you....*

MONSTERS

There's more to your job than digging tunnels or removing rocks. Your area is infested with dangerous pests. Take care or they'll take care of you.

Pooka: Bouncing and bumbling Pookas wander around the screen hunting for Dig Dug. If they catch you it's curtains.

Fygar: Lizard like Fygars stomp-n-storm in pursuit of Dig Dug. Watch out, when they flash, they're about to spout flame. Being bar-b-cued can ruin your day.

POOKA

FYGAR

Dig Dug deals with new dilemmas in this game. It's your job to clear 41 levels of mayhem and defeat two bosses to keep the garden safe. To advance to the next level you have to collect three keys to open the exit. Unlike the original game, monsters come back even after you destroy them. Read the following sections to learn about the new monsters and items.

MONSTERS

Just like the original game you have to contend with petulant Pookas and fierce Fygars. In New Dig Dug you also confront some additional horticultural horrors.

Skeleton Fygar: No bones about it, these guys are tough. You can't destroy them with the pump, so watch out.

SKELETON FYGAR

NEW DIG DUG

Boss Pooka: Obese and bad Papa Pooka is one to avoid.

Boss Fygar: This leering lizard is the King of the Fygars. Watch out for his royal temper.

ITEMS

New Dig Dug features weapons/items not found in the original game. Check them out.

Keys—Grab all three keys to open the exit for the next level.

KEYS

NEW DIG DUG

Exit—To open these doors you have to gather all the keys on a level.

Steel plate—It's impossible to tunnel through these obstacles.

Balls—Tunnel underneath the ball and it will start rolling. Watch out or you might get bowled over.
