Playing the Game

Have you heard the word? ACME ACRES is holding a sports festival to crown a new sports champion. Some lucky athlete can win a huge trophy, have their face put on the front of a cereal box, get lots of cool clothing endorsements, be cast in a starring role in a major motion picture...maybe even get a personalized license plate.

This year Buster Bunny and Babs Bunny (no relation) are entering the competition. They could use a good coach (or two). Why don't you grab your Game Boy and give it a try?

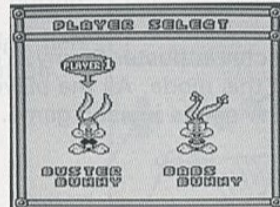

This game has two play modes: the Sports Festival and the Carnival.

Sports Festival Mode

You can play six different games in this mode. Each game has a certain number of qualifying points you must earn before proceeding to the next game. If you fail to qualify, your game is over. When you clear the SUPER CLASS game mode, you get to see the Special Ending on screen.

- 1P (one player game)

The player can be either Buster Bunny or Babs Bunny.

- 2P (two player game)

In 2P play, two players take turns trying for the highest score. When both players clear the game, and at least one of them qualifies, then both players will proceed to the next game. If neither player qualifies, however, the game ends and whoever has the most points at that time wins.

Carnival Mode

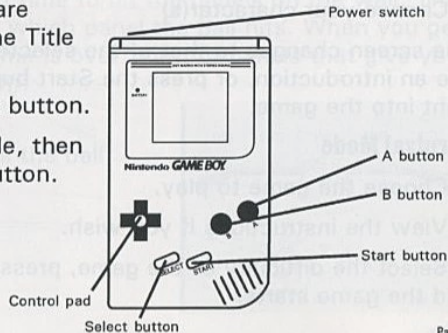

- 1P play

The player's character is Buster Bunny. You can play two different games in this mode. All the player has to do is try to earn the most points in each game.

Starting the game

Correctly insert the Wacky Sports game pak into your Game Boy and turn the power switch on.

1. Legal screens are displayed, then the Title screen appears.
2. Press the Start button.
3. Select the mode, then press the Start button.

Sports Festival Mode

- Select number of players, then press the Start button.
- Select the level of play (Beginner, Amateur, or Super)
- Choose your character(s)

The screen changes to that of the selected mode. You can see an introduction, or press the Start button to move right into the game.

Carnival Mode

- Choose the game to play.
- View the instructions if you wish.
- Select the difficulty of the game, press the Start button, and the game starts.

Sports Festival Mode Baseball

Overtake the Dizzy Team! Hit the ball that Dizzy Devil throws at the right time to hit the panels on the wall. The result depends on which panel the ball hits. When you get three outs, the game is over. Aim for panels that give you hits (1, 2, 3, or HR)!

OPERATION

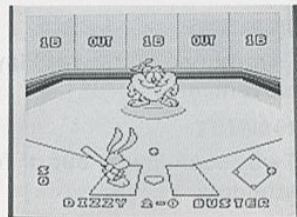

A or B button: Hits the ball

TO QUALIFY

Beginner: 3 runs

Amateur: 4 runs

Super: 5 runs

American Football

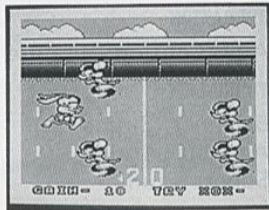

Dodge the opposing team's tackles and score a touchdown! The player takes the ball and runs for a touchdown. The more yards you gain, the more points you earn. When you score a touchdown, you get extra points. You have four chances to score. If you get blocked in mid-field, that drive is over.

OPERATIONS

Control pad up/down: Player movement

TO QUALIFY

Two touchdowns out of four attempts

Tiny Toon Adventures™

Tennis

Hit the ball against the panels on the wall! Try to eliminate as many square panels and item panels that appear on the wall as possible within the time limit. If you miss the ball you'll lose time, so watch out!

OPERATIONS

Control pad left/right : Moves the player to the left or right.

A button: Forehand (right hit)

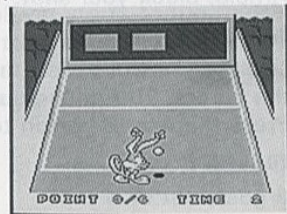

B button: Backhand (left hit)

TO QUALIFY

Beginner: 8 panels

Amateur: 14 panels

Super: 18 panels

Wacky Sports™

Soccer

How many goals can you score?

You get five shots. You score points by scoring goals. Don't let the goalkeepers, Furrball or Arnold, block your shot.

OPERATIONS

Use the Control pad to move the cursor. This aims your shot. Press the A or B button to kick.

TO QUALIFY

3 goals out of 5

Basketball

Score a dunk shot by jumping at just the right moment! You score points by dunking. You get five shots. Don't let the defender, Plucky Duck, steal the ball.

OPERATIONS

Use the Control pad to set the speed while the Power gauge is moving. Once you press the Control pad, the speed gauge will stop. After the player starts to run, press A or B when you want the player to jump. By holding the button, the angle increases. To make a dunk shot, release the button when you decide the angle is right.

Basketball (continued)

Control pad: Determines the speed.

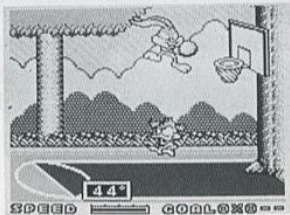

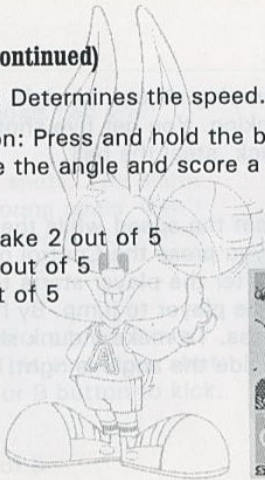

A or B button: Press and hold the button at the jump point to determine the angle and score a dunk shot!

TO QUALIFY

Beginner: Make 2 out of 5

Amateur: 3 out of 5

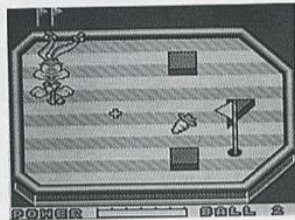

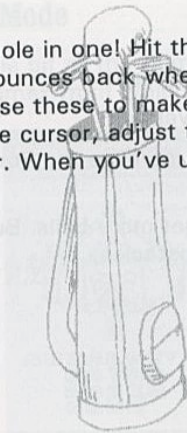

Super: 4 out of 5

Tiny Toon Adventures™

Golf

Go for a hole in one! Hit the ball toward the cup. Since the ball bounces back when it hits the wall and obstacles, you can use these to make your shot. Since the ball rolls toward the cursor, adjust the positions of the player and the cursor. When you've used up all the balls, the game is over.

Wacky Sports™

Golf (continued)

Carnival Mode

Relax a little bit at the Acme Acres Carnival. There are two fun games from which to select.

Shirley's Water Panic Game

Collect water that drips from the water pipe and feed Dizzy Devil! Collect the dripping water to earn points. When the cup becomes full, feed that to Dizzy. In return, Dizzy will stop the water pipe from hitting you. When the water pipe sinks all the way to bottom, Elmyra will appear. Try not to get caught by Elmyra!

OPERATIONS

Control pad left: Movement to the left

A button: Movement to the right

To feed Dizzy, all you have to do is to get close to him!

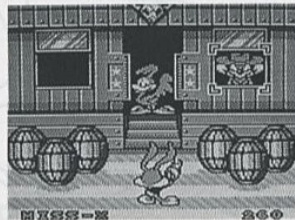

FIFT's Water Squirting Challenge

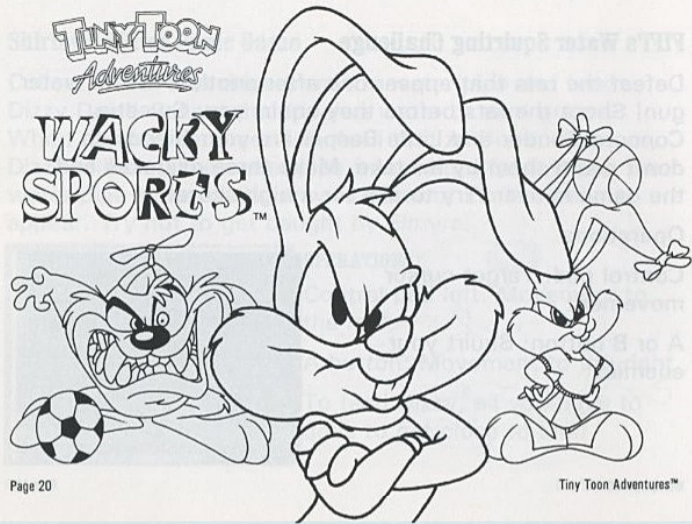

Defeat the rats that appear one after another with a water gun! Shoot the rats before they squirt you. Sweetie, Concord Condor and Little Beeper are your friends so don't squirt them by mistake. Make three mistakes and the game is over. Try to aim for a high score!

Operations

Control pad: Target cursor movement

A or B button: Squirt your enemies
